Double-Width Mop Sink Cabinets

All-Stainless Steel Construction

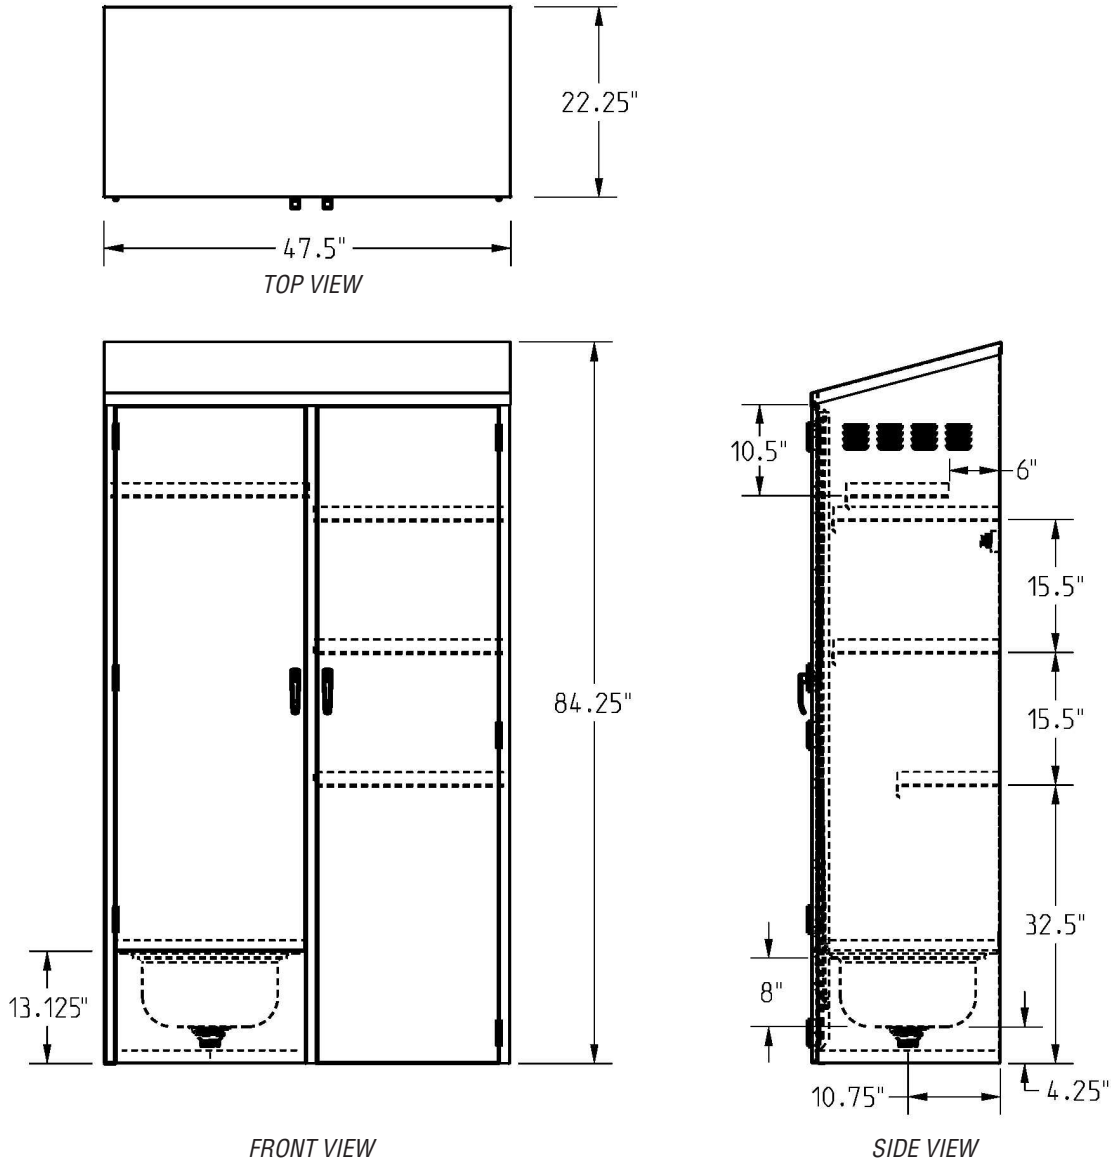

(mop shown not included)

The new **Double-Width Mop Sink Cabinets** is the perfect storage unit for all of your cleaning supplies and equipment. One side features three intermediate shelves for storage, and the other side features an overhead shelf, two-pole mop holder and a 16" x 20" x 8"-deep mop sink with drain. The 84" height allows for plenty of space to store all of your cleaning supplies, mops, and mobile mop bucket. Other features include louvers along the top of each side panel for ventilation, a sloped top for ease of cleaning, service faucet, 30" hose and wall mounted bracket. Available with mop sink on the left- or right-hand side.
